Dear Sir,

Your client: SCL Elections Limited
Ref: LMW/CAM.229-0001

We acknowledge receipt of your letter of 28th March and note the contents.

We are currently advised that we are likely to be in a position to begin returning servers on Tuesday 10th April. If your client would provide passwords for the following servers, this may mean we can return them more quickly than we would otherwise: Svr-02; Svr-04-migb; Fwo-01-migb; Fwo-02; Svr-01-migb, and we invite them to do so.

In relation to laptops we will not be in a position to confirm the position to you before Wednesday 4th April but will do so as soon as we can thereafter.

We would like our technical team to liaise direct with your client's technical team to ensure that matters are dealt with as efficiently as possible. Your client's servers can be reinstated in the same configuration they were operating in when seized and your client's technical lead could assist in person at a secure facility. We would be grateful if you could let us have contact details so we can make the necessary arrangements.

Yours faithfully

Emma Bate
General Legal Counsel
